

TRUSTEES

Asia-Oceania/Europe/North America

IASC Foundation

The International Accounting Standards Committee (IASC) Foundation is the private sector independent body responsible for the development and promulgation of a single set of high quality international accounting standards. Twenty-two Trustees—six from the Asia/Oceania region, six from Europe, six from North America and four from any area of the world—oversee the Foundation and the International Accounting Standards Board (IASB). The IASB is the 14-member body responsible for the development of International Financial Reporting Standards (IFRSs).

The Trustees of the IASC Foundation seek candidates to fill vacancies for Trustees that will become available in January 2009. The Trustees are seeking one Trustee each from Asia-Oceania, Europe and North America. In particular, the Trustees have emphasised their interest in identifying qualified candidates with a background in an investment organisation.

Qualified candidates should have experience as a senior professional or executive in an organisation with an interest in accounting standards. They should demonstrate a firm commitment to the IASC Foundation and the IASB as a high quality global standard-setter, be financially knowledgeable, and be able to meet the time commitment, which includes but is not limited to four two-day meetings each year. Each Trustee should have an understanding of, and be sensitive to, the challenges associated with the adoption and application of high quality global accounting standards developed for use in the world's capital markets and by other users.

The appointments will be from 1 January 2009 until 31 December 2011. All terms may be renewed for three further years.

Trustees' responsibilities include ensuring financing for the organisation; appointments to the IASB, the International Financial Reporting Interpretations Committee and the Standards Advisory Council; and general oversight of the organisation, including consideration of the IASB's work programme.

Please indicate interest by sending a covering letter and curriculum vitae by 19 September 2008 to Bertrand Collomb, Chairman of the Nominating Committee, IASC Foundation, 30 Cannon Street, London EC4M 6XH, United Kingdom or by email to Tamara Oyre, Assistant Corporate Secretary, at toyre@iasb.org
