This Profile provides information about the application of IFRS® Accounting Standards (Standards) in Jamaica. The Standards are developed and issued in the public interest by the International Accounting Standards Board (IASB). The IASB is the standard-setting body of the IFRS Foundation (Foundation), an independent, private sector, not-for-profit organisation.

The Foundation has prepared this Profile based on information from various sources. The starting point was the answers provided by standard-setting and other bodies in response to surveys the Foundation conducted on the application of the Standards around the world. The Foundation drafted the profile and invited the respondents to the survey. The Foundation also invited others (including regulators and international audit firms) to review the drafts. Their comments are reflected in this Profile.

The purpose of the Foundation’s Jurisdictional Profiles is to illustrate only the extent of implementation of the Standards across the globe. The Profiles do not reflect the intellectual property licensing status of the Standards within any given jurisdiction. The Standards are protected by copyright and are subject to licensing arrangements agreed upon within their jurisdiction. Does that apply to ALL domestic companies whose securities trade in a public market, or only SOME? If some, which ones? All.

Are IFRS Accounting Standards also required or permitted for more than the consolidated financial statements of companies whose securities trade in a public market? Yes.

For instance, are IFRS Accounting Standards required or permitted in separate company financial statements of companies whose securities trade in a public market? Required.

## IFRS ENDORSEMENT

Which IFRS Accounting Standards are required or permitted for domestic companies?

IFRS Standards as issued by the IASB Board, ie standards and amendments are adopted/endorsed as and when issued by the IASB Board.

The auditor's report and/or the basis of presentation footnote states that financial statements have been prepared in conformity with:

IFRS Standards.

Does the auditor's report and/or the basis of preparation footnote allow for 'dual reporting' (conformity with both IFRS Accounting Standards and the jurisdiction's GAAP)?

No.

Are IFRS Accounting Standards incorporated into law or regulations?

Yes.

If yes, how does that process work?

The Companies Act 1965 requires all limited companies to present financial statements including, when appropriate, consolidated financial statements.

The ICAJ has adopted IFRS Standards and the *IFRS for SMEs* Standard as the accounting standards for use in those financial statements, and it requires members to follow them to fulfil their membership obligation.

Although the Companies Act does not mandate the use of ICAJ standards, observance of ICAJ-issued accounting standards is required under the legal and regulatory framework for entities directly supervised by the Bank of Jamaica, the Financial Services Commission, and the Jamaica Stock Exchange.

If no, how do IFRS Accounting Standards become a requirement in the jurisdiction?

Not applicable.

Does the jurisdiction have a formal process for the 'endorsement' or 'adoption' of new or amended IFRS Accounting Standards (including Interpretations) in place?

Because IFRS Standards have been adopted by Resolution of the membership of the ICAJ, it is not necessary to endorse individual new and amended IFRS Standards.

If yes, what is the process?

Not applicable.

If no, how do new or amended IFRS Accounting Standards become a requirement in the jurisdiction?

Not applicable.

Has the jurisdiction eliminated any accounting policy options permitted by IFRS Accounting Standards and/or made any modifications to any IFRS Accounting Standards?

No.

If yes, what are the changes?

Not applicable.

Other comments regarding the use of IFRS Accounting Standards in the jurisdiction?

None.

## TRANSLATION OF IFRS ACCOUNTING STANDARDS

Are IFRS Accounting Standards translated into the local language?

No. English is the business language in Jamaica.

If they are translated, what is the translation process? In particular, does this process ensure an ongoing translation of the latest updates to IFRS Accounting Standards?

Not applicable.

## APPLICATION OF THE IFRS FOR SMEs ACCOUNTING STANDARD

Has the jurisdiction adopted the *IFRS for SMEs* Accounting Standard for at least some SMEs?

Yes, Jamaica has adopted the *IFRS for SMEs* Standard.

If no, is the adoption of the *IFRS for SMEs* Accounting Standard under consideration?

Not applicable.

Did the jurisdiction make any modifications to the *IFRS for SMEs* Accounting Standard?

No.

If the jurisdiction has made any modifications, what are those modifications?

Not applicable.

Which SMEs use the *IFRS for SMEs* Accounting Standard in the jurisdiction, and are they required or permitted to do so?

All SMEs are permitted to use the *IFRS for SMEs* Standard.

For those SMEs that are not required to use the *IFRS for SMEs* Accounting Standard, what other accounting framework do they use?

SMEs that do not use the *IFRS for SMEs* Standard must use full IFRS Standards.

Other comments regarding use of the *IFRS for SMEs* Accounting Standard?

None.
