13:30 **Keynote address**

- **Luka Mucic**, Chief Financial Officer, SAP SE

14:00 **IASB update**

This session will include:

- Major IFRS Standards (including insurance and rate-regulated activities)
- Research projects
- The importance of disclosures

Presenters:

- **Sue Lloyd**, IASB Vice-Chair
- **Nili Shah**, IASB Executive Technical Director

15:00 Coffee break

15:30 **Break-out sessions:**

Choose one of the following:

Implementation and Application of the Standards (repeated day 2)

The session is designed to provide the audience with an update on the Board's and Interpretations Committee's work in supporting the implementation and application of the Standards. It will focus on recent and ongoing topics being discussed by the Interpretations Committee, recently published agenda decisions that explain how an entity applies the Standards to particular fact patterns and narrow-scope standard setting projects.

- **Henry Rees**, IASB, Director of Implementation and Adoption Activities
- **Jawaid Dossani**, IASB Technical Principal
- **Clair Grindley**, IASB Technical Principal

IFRS Taxonomy

The IFRS Taxonomy facilitates the electronic reporting of IFRS information and is required to be used by a number of regulators around the world. This session will provide participants with an introduction to the IFRS Taxonomy explaining what it is, how it is used and why it is important.

- **Ann Tarca**, IASB Member
- **Rita Clijmans**, IASB Senior Technical Manager
- **Izabela Ruta**, IASB Technical Manager

Implementing IFRS 16 Leases—disclosures

This session is designed to provide an overview of the disclosure requirements in IFRS 16 Leases. In this session the presenters will share their views on what lessees should be aiming for in preparing to implement the disclosure requirements in IFRS 16.

- **Sue Lloyd**, IASB Vice-Chair
- **Kathryn Donkersley**, IASB Senior Technical Manager

Primary Financial Statements

In its Primary Financial Statements project, the Board is exploring targeted improvements to the structure and content of the primary financial statements, with a focus on the statement(s) of financial performance. This session will provide an overview of the decisions made so far on the project.

- **Nick Anderson**, IASB Member
- **Rachel Knubley**, IASB Associate Director

Management Commentary Practice Statement

This session will cover the IASB's plans for updating Management Commentary Practice Statement and explain how the IASB's work on this project will relate to the broader area of corporate reporting.

- **Hans Hoogervorst**, IASB Chair
- **Yulia Feygina**, IASB Technical Principal
- **Matthew Chapman**, Practice Fellow, IASB

17:00–18:00 *Cocktail reception*

Conference Programme Day 2

Friday 29 June 2018

09:00 Panel discussion—Judgments and estimates

A key element of principle-based standards is making estimates and exercising judgements. This session will examine the use of judgements and estimates within the IFRS standards and highlight current matters being considered by the Board that relate to this important area including the application of materiality.

Chair: **Mary Tokar**, IASB Member

Panellists include:

- **Nick Anderson**, IASB Member

10:00 Conceptual Framework at a glance

This session is designed to provide the audience with an overview of the revised Conceptual Framework. It will examine the key concepts included in the Conceptual Framework and how those concepts will support development and application of IFRS Standards.

- **Françoise Flores**, IASB Member
- **Yulia Feygina**, IASB Technical Principal

10:45 Coffee break

11:15 **Panel discussion—Topical Application Issues**
This final panel discussion will examine a range of current issues in application of IFRS Standards.

Chair: Sue Lloyd, IASB Vice-Chair

Panellists include:

- **Roxana Damianov**, Team Leader of the Corporate Reporting Team, ESMA
- **Tony de Bell**, Partner, PwC

12:15 **Lunch**

13:30 ***Break-out sessions:***

Choose one of the following:

Implementation and Application of the Standards (repeated from day 1)

The session is designed to provide the audience with an update on the Board's and Interpretations Committee's work in supporting the implementation and application of the Standards. It will focus on recent and ongoing topics being discussed by the Interpretations Committee, recently published agenda decisions that explain how an entity applies the Standards to particular fact patterns and narrow-scope standard setting projects.

- **Henry Rees**, IASB Director of Implementation and Adoption Activities
- **Jawaid Dossani**, IASB Technical Principal
- **Clair Grindley**, IASB Technical Principal

Financial Instruments with Characteristics of Equity

The session is designed to provide the audience with a high level update on the IASB's Financial Instruments with Characteristics of Equity project. The session will be a presentation by the IASB Board member and the IASB staff and will be interactive with questions from the audience.

- **Sue Lloyd**, IASB Vice-Chair
- **Uni Choi**, IASB Practice Fellow

IFRS 17 Insurance Contracts—Implementation: Hot Topics

This session is aimed at those who have a good understanding of the fundamental concepts on the new accounting for insurance contracts. IASB Board members and staff will provide an update on the implementation questions discussed by the transition resource group on IFRS 17.

- **Martin Edelmann**, IASB Member
