**New training module—Section 7 Statement of Cash Flows**
The IFRS Foundation Education Initiative has now posted the English-language version of Module 7, *Statement of Cash Flows*. Module 7 covers the information to be presented in a statement of cash flows and how to present it. The statement of cash flows provides information about the changes in cash and cash equivalents of an entity for a reporting period, showing separately changes from operating activities, investing activities and financing activities.

Ultimately, the *IFRS for SMEs* training material will include 35 stand-alone modules—one for each section of the *IFRS for SMEs*. You are free to print the training materials, distribute them in training programmes, and post them on your own website in accordance with IFRS Foundation copyright and terms of use. A total of 26 modules have now been posted. All of them are available here: [http://go.ifrs.org/smetraining](http://go.ifrs.org/smetraining).

Each module includes:

- **Introduction.** An overview of the module, including learning objectives and an overview of the requirements that are the subject of that module.
- **Requirements.** The full text of the section of the *IFRS for SMEs* with added notes and worked examples. The notes and examples are designed to clarify and illustrate the requirements.
- **Significant estimates and other judgements.** A discussion of significant estimates and other judgements in accounting for transactions and events in accordance with that section of the *IFRS for SMEs*.
- **Comparison with full IFRSs.** A summary of the main differences between this section of the *IFRS for SMEs* and the corresponding full IFRS.
- **Test your knowledge.** A collection of multiple-choice questions (with answers) designed to test the learner's knowledge of the requirements.
- **Apply your knowledge.** Several case studies (with solutions) designed to develop the learner's ability to account for transactions and events in accordance with that section of the *IFRS for SMEs*.

**Additional Spanish-language training module**

The IFRS Foundation Education Initiative has posted Module 2, *Concepts and Pervasive Principles* of the Spanish-language translation of its training material.

In total 24 Spanish-language modules are now available for download from the IFRS website (see [http://www.ifrs.org/IFRS+for+SMEs/Spanish+Modules.htm](http://www.ifrs.org/IFRS+for+SMEs/Spanish+Modules.htm)). The IFRS Foundation is grateful to the World Bank for facilitating the translation of the training material with funding from the Spanish Trust Fund for Latin America and the Caribbean.

**Recent "train the trainers" workshops**

The IFRS Foundation is conducting workshops to train the trainers on the *IFRS for SMEs*.

**Sarajevo, Bosnia and Herzegovina.** The IFRS Foundation and the World Bank Centre for Financial Reporting Reform (CFRR) held jointly a 'train the trainers' workshop on the *IFRS for SMEs* from 18 to 20 October 2011 under the REPARIS programme (Road to Europe: Program of Accounting Reform and Institutional Strengthening). REPARIS is funded by the Austrian Development Agency, the Austrian Ministry of Finance, the Government of the Grand Duchy of Luxembourg, and the State Secretariat of Economic Affairs of the Swiss Confederation.

Participants comprised trainers from professional bodies and universities, as well as representatives from regulatory bodies. Eight countries were represented: Albania, Bosnia and Herzegovina, Croatia, Kosovo, Macedonia, Moldova, Montenegro, and Serbia. Instruction was provided by Michael Wells (Director, IFRS Foundation Education Initiative), Liam Coughlan and Pascal Frérejacque (World Bank Centre for Financial Reporting Reform, Vienna, Austria). The workshop was conducted in English.
To facilitate a swift replication of the *IFRS for SMEs* workshop, translations of the presentation materials were provided to the participants in local languages and are now freely available in PowerPoint® format (previously, only English, Portuguese, Russian, Spanish and Turkish had been available). The PowerPoint presentations are designed to support delivery of a three-day or 24-hour training course, and they cover most of the sections of the *IFRS for SMEs*. We encourage you to use them in your own local training on the *IFRS for SMEs*. The translated PowerPoint presentations are available using the following links:

- **Albania and Kosovo**: [http://go.worldbank.org/68TJH64JP0](http://go.worldbank.org/68TJH64JP0)
