Progress on SME Q&As

The public comment period has now ended on the following two draft Q&As relating to the *IFRS for SMEs*. After considering the comments, the staff have proposed some minor clarifying changes and have sent drafts of final Q&As to the SME Implementation Group (SMEIG) for a 30-day review period to obtain their approval to send them to the Board:

- Section 11 Issue 1—Fallback to IFRS 9 *Financial Instruments*
- Section 30 Issue 1—Recycling of cumulative exchange differences on disposal of a subsidiary.

The SMEIG is currently coming to the end of their 30-day review period of the following draft Q&As:

- General Issue 1—Application of the *IFRS for SMEs* for financial periods ending before the *IFRS for SMEs* was issued
- General Issue 2—Interpretation of 'undue cost or effort' and 'impracticable'
- Section 3 Issue 1—Jurisdiction requires fallback to full IFRSs

- Section 3 Issue 2—Departure from a principle in the *IFRS for SMEs*
- Section 3 Issue 3—Prescription of the format of financial statements by local regulation.

When the IASB issued the *IFRS for SMEs* in 2009, it made a commitment to undertake a comprehensive post-implementation review of the standard. The IASB expects to initiate the review in the second half of 2012. The review is expected to include a request for public comments on amendments that should be considered for the standard. As part of the review, the IASB will also consider incorporating Q&As into the revised *IFRS for SMEs*. For that reason, the SMEIG does not expect that it will issue many, if any, additional draft Q&As before the start of the comprehensive review.
