Updated Terms of Reference and Operating Procedures for the SME Implementation Group

The *Terms of Reference and Operating Procedures* for the SMEIG have been updated to reflect the fact that the SMEIG Q&A programme will continue in the future as a two-tier system:

- Tier 1 issues would be those requiring authoritative guidance and would require full due process. These issues are expected to be rare.
- Tier 2 issues would be dealt with by non-mandatory education material subject to the normal due process for educational material.

The updated *Terms of Reference and Operating Procedures* for the SMEIG are available on the [SMEIG page](#).
