

Project **Insurance contracts**

Topic **Timetable for Board discussions and Working Group meetings**

---

### **Purpose of this paper**

1. This paper gives an updated project timetable for Board discussions and Working Group meetings.
2. This time table aims for an exposure draft in April 2010; the previous time table we published (April 2009) planned an exposure draft by the end of this year.
3. The next Working Group meeting will be held on 29 and 30 June 2009.
4. The time table in this paper does not include field testing (if any). We intend to include the timing of field testing activities in an updated timetable for the July 2009 papers.
