Timetable for Board discussions

Purpose of this paper

- 1. This paper gives an updated project timetable for the boards' discussions.
- We aim for publication of the exposure draft in May 2010. During previous meetings, the boards reached different conclusions on some topics or asked for further analysis by staff. Staff acknowledges that this is an extremely challenging time table that depends heavily on progress at the March joint meetings. Furthermore, we will (have to) use extra meetings as much as possible. We also intend to use (extra) IASB and FASB only meetings to deal with issues that, in the staff's view, do not necessarily have to be discussed at a joint meeting.
- 3. The timetable does not show any Working Group meetings. We do not plan to hold another Working Group meeting before publication of the exposure draft. If appropriate, we will seek feedback from Working Group participants by other means, such as e-mail.

This paper has been prepared by the technical staff of the FASB and the IASCF for discussion at a public meeting of the FASB or the IASB.

The views expressed in this paper are those of the staff preparing the paper. They do not purport to represent the views of any individual members of the FASB or the IASB.

Comments made in relation to the application of U.S. GAAP or IFRSs do not purport to be acceptable or unacceptable application of U.S. GAAP or IFRSs.
