Summary of papers

1. The staff will present two papers on post-employment benefits:
 - (a) **Agenda Paper 11B Proposed project timetable** - This paper proposes a project plan to develop the proposals in the exposure draft *Defined Benefit Plans* (the ED) into a final amendment.
 - (b) **Agenda Paper 11C Summary of outreach activities** - This paper summarises, in very broad terms, the feedback received during these activities in order to provide the Board with an overview of the main issues raised by respondents.
2. The papers presented at this meeting are for information only and do not contain staff recommendations and questions, however the Board is invited to ask the staff questions or provide comments on the papers.

This paper has been prepared by the technical staff of the IFRS Foundation for discussion at a public meeting of the IASB.

The views expressed in this paper are those of the staff preparing the paper. They do not purport to represent the views of any individual members of the IASB.

Comments made in relation to the application of an IFRS do not purport to be acceptable or unacceptable application of that IFRS—only the IFRS Interpretations Committee or the IASB can make such a determination.

The tentative decisions made by the IASB at its public meetings are reported in *IASB Update*. Official pronouncements of the IASB, including Discussion Papers, Exposure Drafts, IFRSs and Interpretations are published only after it has completed its full due process, including appropriate public consultation and formal voting procedures.
