

Staff Paper

Project **Insurance contracts**

Topic **Cover note**

Overview of papers

1. At this meeting, the staff intend to present **Agenda paper 1A/62** on whether the residual or composite margin should be locked-in at inception or unlocked over the life of the contracts.
2. The staff will also give an oral update on the 24 March 2011 Insurance Working Group meeting.
3. The boards will not be asked to make any decisions at this meeting.

This paper has been prepared by the technical staff of the IFRS Foundation and the FASB for discussion at a public meeting of the FASB or the IASB.

The views expressed in this paper are those of the staff preparing the paper. They do not purport to represent the views of any individual members of the FASB or the IASB.

Comments made in relation to the application of U.S. GAAP or IFRSs do not purport to be acceptable or unacceptable application of U.S. GAAP or IFRSs.

The tentative decisions made by the FASB or the IASB at public meetings are reported in FASB *Action Alert* or in IASB *Update*. Official pronouncements of the FASB or the IASB are published only after each board has completed its full due process, including appropriate public consultation and formal voting procedures.
