- 13B Request for views – Agenda Consultation 2011: Developing the IASB's Technical Programme

IASB Staff contacts

April Pitman, Technical manager
apitman@ifrs.org

The staff are responsible for developing staff papers with recommendations, along with supporting analysis, for consideration by the IASB in its public meetings.

The staff papers should provide sufficient information to enable the IASB members to make informed decisions on technical matters.

In developing the staff papers the staff are expected to research and consult widely, including seeking advice from IASB members. However, recommendations ultimately reflect the views of the staff having considered the information they have obtained.
