This paper has been prepared for discussion at a public meeting of the IASB and does not represent the views of the IASB or any individual member of the IASB. Comments on the application of IFRSs do not purport to set out acceptable or unacceptable application of IFRSs. Technical decisions are made in public and reported in IASB *Update*.

Purpose of this session

1. This session of the IFRS Taxonomy Consultative Group (ITCG) meeting is to discuss the ITCG views and feedback on the *IFRS Foundation Trustees' Review of Structure and Effectiveness* – in particular on the following sections:

   (a) Relevance of IFRS in structured digital reporting: IFRS Taxonomy

   (b) Relevance of IFRS in the face of wider developments in technology

2. This paper describes:

   (a) the overall structure of this session

   (b) the papers for this session; and

Overall session structure

3. This session will be introduced and run by the Chair and Vice-chair of the ITCG. It will include an introduction to the aims of the session, a discussion of the questions raised in the review as small groups and a whole group feedback and summary session. The form of the ITCG feedback will also be discussed.
