*This paper has been prepared for discussion at a public meeting of the International Accounting Standards Board (the Board) and does not represent the views of the Board or any individual member of the Board. Comments on the application of IFRS® Standards do not purport to set out acceptable or unacceptable application of IFRS Standards. Technical decisions are made in public and reported in IASB® Update.*

**Introduction**

1. The papers for this meeting include:
  - (a) **Agenda Paper 5A—Summary of discussions to date:** This paper provides details of the Board’s discussions to date, and is for information only.
  - (b) **Agenda Paper 5B—Presentation: Derivatives classified as liabilities:** This paper discusses the application of the separate presentation requirements to derivatives classified as liabilities. The objective is to complete the discussion of the application of the Gamma approach to derivatives on ‘own equity’.
  - (c) **Agenda Paper 5C—Disclosure:** The objective of this paper is to discuss improvements to disclosure requirements to provide information to users that is not provided through classification and presentation.
