This paper has been prepared for discussion at a public meeting of the IFRS Interpretations Committee (the Committee). Comments on the application of IFRS Standards do not purport to set out acceptable or unacceptable application of IFRS Standards—only the Committee or the International Accounting Standards Board (the Board) can make such a determination. Decisions made by the Committee are reported in IFRIC[®] Update. The approval of a final Interpretation by the Board is reported in IASB[®] Update

Objective of this paper

 The objective of this paper is to provide the IFRS Interpretations Committee (the Committee) with an update on the current status of matters that will not be discussed by the Committee at its meeting in May 2017.
