Overview

1. The purpose of this meeting is to
 - (a) present the EEG with the feedback summary tabled with the Board at its March 2019 meeting (see *March 2019 Agenda Paper 19*); and
 - (b) ask the EEG for feedback on the Extractive Activities project.
2. The questions we are asking the EEG are:

Question 1

Is the feedback received so far representative of your jurisdiction?

Question 2

Are you aware of any additional changes in the extractives industry in your jurisdiction that you would like to bring to the attention of the Board?
