## **Publication of the amended *Due Process Handbook***

### **Purpose**

1. The purpose of this paper is to seek the DPOC's permission to publish the amended IFRS Foundation's *Due Process Handbook (Handbook)*.

### **Status of the amendments to the *Handbook***

2. At the DPOC's meeting on 16 December 2019, the DPOC completed its consideration of the feedback on the Exposure Draft of proposed amendments to the *Handbook*.
3. The staff has now drafted the amended *Handbook* reflecting the DPOC's decisions and DPOC members have been provided with a complete draft of the amended *Handbook*.
4. If DPOC members have any substantive points arising from the review, they will be discussed at this meeting.
5. The published version of the *Handbook* will be accompanied by a feedback statement that explains the amendments made and how the DPOC responded to the feedback. The staff also plan to post material on the IFRS Foundation website to assist stakeholders' understanding of the Foundation's due process.

### **Question**

#### **Question for the DPOC**

Do the DPOC agree to agree, subject to any edits arising from the editorial review process, to publish the amended *Due Process Handbook*?
